INBUILT Sunroofs (internal sliding; moonroofs). When closed, the **sunroof** panel is flush with the **roof**, and

n when open, it retracts between the **roof** and **headliner**.

Inbuilts require a water management system [**catch tray** and **drain tubes**]

{flv}SolAire 4300 Finish{/flv}

Enhanced electronic control adds features including **programmable preset positions**, **safety auto reverse** and **auto-close** on ignition off to express open/close. Optional **rain sensors**

can be installed which detect moisture and will close the

sunroof

even if the vehicle is left unattended, so the

sunroof

may be left vented or open in the parking lot all day without concern for getting wet.
