Top and Trends offers **Katzkin Leather** Interiors for more than **5000** interior patterns. There is no end to the possibilities when you have more than 120 color & material combinations available to choose from. Additional upgrades will enhance your **Katzkin leather such as two-tone, piping, contrast stitching, perforation, and custom embroidery.**

Premium Interior

The look, the feel, the smell of a premium, factory-quality, leather trimmed interior is now an affordable luxury! You don't have to pay thousands of dollars for the entire factory upgrade package, when all you really want is the leather. See the difference for yourself. Just click on our Interior Selector and enter your make and model. Leather or cloth? This one's easy.

Custom Interior

Here's your chance to make a statement. Our professionally designed, custom options will make your new interior pop! We've been perfecting our craft for 25 years, and these choices reflect the combinations we know will transform your car into something unique and special. Click on our Interior Selector button above now and give it a test drive!

Limited Edition

Our Limited Editions are the pinnacle of automotive interiors. Experience a unique one-of-a-kind interior, that represents our vision for the ultimate in design style for your vehicle. The first time our customers see the results, their faces tell the same story: "I love my car!" Try a Katzkin Limited Edition interior on your make and model with our Interior Selector. We can't wait to see "your" face!

More than a leather seat

Don't just settle for leather. Add heat to keep you comfortable in the cold Alaskan winters or a **DVD player** in the headrest to keep the kids entertained. Most packages come with "extras" to complete the look. This may be a special grill, spoiler, duffle bag and more. You can even have your business's logo **embroidered** in your custom design.
